

Testing Out Procedures: 2009

1. Please fill out the **Request to Test Out of a Course** form, and turn it in to your guidance counselor.
2. After your guidance counselor determines if your request has been **approved**, students may be provided a textbook Monday-Friday, June 15-19, 2009 by appointment. **Textbooks will not be available after June 19.**
3. Ask a teacher who is currently teaching the subject for a syllabus, resources and/or materials that may assist in studying for the exam. If you don't know who teaches the subject, please see your guidance counselor or ask your current teacher in that subject area for help.
4. Make plans to be available to test in August when the dates are announced, most likely the Week of August 24-28, 2009. The instructor assigned to assess you will inform you of the assessment date and time. If you have not been contacted, please contact the counseling office on August 24 for dates and times for assessment. Also, please check on the Hamtramck School District web site for testing out times and dates.
5. Review the Michigan Merit Curriculum materials on .pdf files on the State of Michigan website:
